sunday · monday · always

We could have said 9 to 3. Monday through Friday. Open till 7 Friday night And so forth. But we didn't. That's because we don't close anymore. Not since we put 'Big Doc' to work out front. Now, with 'Big Doc', you can bank any time you choose to because 'Big Doc' is our around-the-clock automated partner.

True, 'Big Doc' can't lend you money, but it does handle deposits and withdrawals, accepts club and loan payments, and transfers funds from one account to another. Fast and accurately, too. Why don't you pay us a visit and have us introduce you to 'Big Doc'. Banking with Big Doc is as easy as saying Sunday, Monday, Always.

retary, MSFWC; Mrs. Herbert Riley chairman of legislation MSFWC; and Mrs. Domenic Alfano, chairman of Ways and Means, MSFWC. Mrs. Eugene G. Faucher, first vice president of MSFWC, will be moderator.

Luncheon will be served at 12:00 by members of the Rochester Woman's Club. Mrs. Robert Sherman is luncheon chairman. Members are asked to make reservations with their club presidents no later than March 1, 1974.

Music by the Mattapoisett Woman's Club will be presented in the afternoon.

Guest speakers will be Mrs. Eugene G. Faucher, first vice president of MSFWC, and Dr. John Ryther, senior scientist from the Woods Hole Oceanographic Institute. His subject will be "Ocean Pollution - Control from Neglect to Over-Action". Dr. Ryther received his A.B., M.A. and Ph.D from Harvard University. He has been senior scientist at the Institute since 1963. He is presently consultant to the National Science Foundation, the New York State Department of Education, Boston Edison Company Thermal Pollution and Ecology and Maine Yankee Atomic Power Company. Dr. Ryther is also author or co-author of 65 scientific publications. His educational and professional background will bring to the group an interesting and informative talk.

CONTINUE IN OFFICE

EDWARD J. SYLVIA

CANDIDATE FOR BOARD OF HEALTH

The office of Board of Health has undergone a significant change in responsibility in the last several decades. Modern medicines, medical knowledge and legislation have all but eliminated epidemics and severe community health problems. The Health Officer's responsibility has, therefore, changed from that of treating health related problems to that of prevention and enforcement. The Health Officer, consequently, is required to be knowledgeable with the laws, regulations, codes, medical and engineering data necessary to exercise this office.

Your vote on March 5th would be appreciated.

Respectfully,
Edward J. Sylvia, Bayberry Lane, Mattapoisett

didates running this year, they have been asked to limit their talks to three minutes with a ten minute question and answer period at which time the people attending may ask any questions they feel pertinent.

Mr. R. William Blasdale will act as Moderator. Light refreshments will be served at the end of the evening to afford you the opportunity to talk informally. It is hoped that you will take advantage of the opportunity to hear and question these candidates in order that your vote may be an informed one in these admittedly difficult times.

COUNCIL ON AGING

The Council on Aging held its monthly meeting February 12th at the Mattapoisett Town Hall. Mrs. Sophie Sterling was voted in as chairman of Council on Aging. She has been acting as such since the resignation of Charles Adams, as then she was vice-chairman.

Mrs. Gloria Rounds, Publicity

New School Addition

OLD HAMMONDTOWN ADDITION PROPOSED

A brochure will be sent to Mattapoisett voters on the first week of March which will outline a proposed addition to the Old Hammondtown Elementary School. This is to inform voters before the Special Town Meeting which will be held at the Old Rochester Regional High School on Thursday, March 28th, at 7:30 P.M. at which time they will be asked to consider the proposition.

The Mattapoisett School Building Committee, chairmaned by George White, is proposing an addition of cement block with

brick facing containing 5 classrooms, a resource center, a remedial reading classroom, a music room, a physical education gym with adjoining boys' and girls' lavatories. The addition would join the present building at the east and west north walls with a central courtyard at the core. The completed building, if approved, would house 325 pupils which is the approximate estimated school population by the time the building could be occupied.

Growth figures as illustrated by a graph in the brochure show a sharp increase in the school population between 1967 and 1969. The graph then shows a leveling off and decline in the number of pupils. The estimated projections for 1974 through 1977 show a gradual increase. The Building Committee

WESLEY N. BOWMAN

TREE WARDEN

Mr. & Mrs. Robert Clarkson
North St., Mattapoisett

bases these estimates on the number of subdivided lots which exist at this time. The decrease in the elementary school population parallels the introduction and use of the birth control pill. The number of children born to established residents has leveled off and decreased. The estimated increase will be due to expected immigration to the town according to the Building Committee.

The total cost of the addition is stated at $886,000 - net cost, $384,958.00. Interest over 10 years would be $219,880.00. The Massachusetts share would be $714,922.00 The effect on the tax rate over a ten-year period would range from a maximum of $1.34 per $1,000. to $.92 per thousand at an assumed rate of 4.60 percent.

The addition would total 18,500 square feet of which 12,750 square feet is educational space. The cost per square feet is $48.00 (turnkey). The cost per pupil is $5,900. The increase in capacity of the school would be 150 pupils. If approved the contract would be let in October 1974 and the estimated occupancy date would be December 1975.

The original intention to propose a modular steel construction was scrapped, according to the committee spokesman, when it was found that this type of building was in almost the same price bracket as the masonry construction. The Committee felt that the maintenance-free brick exterior is worth the difference in the cost. The brick facing was found to add $8,000 to the total.

The Building Committee is as follows: George White, chairman; Susan S. Hottel, secretary; Jonathan DePina, Robert A. Silveira, D. Torrey Sylvester, Robert W. Lawrence, George H. Stein and Susan A. Todd. Advisors are Dr. Joseph C. Kunces, superintendent of schools; and Raymond J. Carvalho, principal.

from the Mattapoisett Police Department. We, his fellow officers, would like to acknowledge a debt of gratitude to him. During his five years of full-time service Milt gave unselfishly of his time on drug abuse problems, felony investigations and the handling of family and juvenile problems that make up the majority of police work. Many nights he worked well beyond his basic eight hours to follow up on a case whose leads, if left until the next day, would have been cold. He has been an important member of our police team. We enjoyed working with him. We wish him good luck in his new venture with Al's Wholesale Meat Company.

Land Use Study

The Land Use Study Committee of the Mattapoisett-Marion League of Women Voters will meet Wednesday afternoon, February 20, at 3:15 at the home of Mrs. Edward Watts, Jr., at 21 Shipyard Lane in Mattapoisett. Guest speaker will be David Hewitt, chairman of the Mattapoisett Conservation Commission. He will speak on the protective measures the committee is concerned with in the town.

The meeting is open to the public, any citizen of Mattapoisett who is interested in the future of their town. Peggy Ruopp, chairman of the groups, said that the purpose of the committee is to get "a future scope of the town, an understanding of the town as it is, and any changes that town boards plan on implementing."

Some of the present objectives of the group are a recycling center for the town, a solid waste disposal unit (to stop the town's draining into the bay), and more careful land use by better zoning.

Members of the group attend most meetings of both the Selectmen and the Board of Health, and also any hearings or other meetings that might concern land or water use. "We try to attend all the meetings," explained Mrs. Ruopp, "especially those concerning land and water use and planning. The only problem is that the boards have no agendas, so we never know what will be discussed and we could so easily miss something very important."

The study committee, when the total study is completed, will present to the league a complete picture of the town, and will make any suggestions it deems necessary for the benefit of the town and its future.

If you are interested in joining the group, please attend Wednesday's meeting. For babysitting, call Mrs. Ruopp at 758-2920.

direction of Mrs. Rachel Penti at the monthly meeting of Tobey Hospital Guild on Thursday, February 28th, at 1:30 P.M. at the Nurses' Home. The panel members will discuss the many advantages gained through grants made from the Fund. Miss Helen Estes is chairman.

Art Center Exhibit

The Marion Art Center is pleased to announce the opening of a new exhibit of assemblages by John Baker which will be on display from February 24th through March 17th.

The assemblages/sculptures are made from bits and pieces, odds and ends which can be found virtually anywhere. Mr. Baker collects articles from junkyards to use as a "vocabulary" in his work. The result is an assortment of visual jokes with a unique combination of humor and anecdote.

John Baker holds a doctorate (Phi Beta Kappa) in Art History from Brown University and is currently an instructor in Modern and American Art at Boston College. His work has been shown at Brown, at the Brockton Art Center, and at a one-man show at the University of Massachusetts/Boston Art Gallery.

Mattapoisett Town News

ACCEPT RESIGNATION

The Board of Selectmen replied to a letter of resignation by Milton H. Heuberger, Jr. The Board accepted his resignation with regret and a sincere sense of loss to the town. They said that Mr. Heuberger had performed his duties over the past 5 years in an outstanding manner and was a credit to the Police Department. The Board of Selectmen said that his services will be sorely missed and wished him much future success.

DAM LEVEL TALK

Mr. Fortin of the Fairhaven Water Department met with Selectmen to discuss removal of the planks in the Mattapoisett River dam during high water periods. Riverside residents have complained of flooding which they ascribed to the planks being left in place too long. Mr. Fortin pointed out that the river has become clogged with debris and needs dredging. He said that he will check carefully on the river level to see that the planks are pulled in time to avoid problems in the future.

RATION BOARD MEETS

The Town Ration Board met Saturday to discuss methods of insuring that essential public service will have an adequate gasoline supply. This may involve the towns acquiring a large gasoline storage tank for the use of town vehicles. The Ration Board may also meet with the gasoline station owners in Mattapoisett to see if staggered station hours can be arranged so that gasoline will be avail-

SPINNAKER COOPERATION PLEDGED

Representatives of The Spinnaker met with the Board of Selectmen on Tuesday to discuss past problems and steps being taken to correct them. The Spinnaker representatives assured the Selectmen that they will cooperate with town officials and the police department 100% in any way.

JOINT PURCHASING EXPLORED

Selectmen Robert Silveria and Executive Secretary George Hall met with officials of adjoining towns in the Town Hall in Marion last week to discuss the feasibility of joint purchasing of town supplies in order to obtain the most favorable prices. Representatives of Marion and Acushnet will meet with Mr. Hall on March 14th to compare lists of products of common interest in a further exploration of the practical working of such an effort. All surrounding towns will be invited to join those already interested.

Conservation Comm. News

The Mattapoisett Conservation Commission is sponsoring several articles in the Town Warrant. The first is to have certain roads in the town designated as "Scenic Road" under the provisions of the recently amended Chapter 40, Section 15c of the laws of the Commonwealth. The designation of "Scenic Road" protects the roads in that no repairs, tree removal or paving may done without the written consent of the Selectmen AFTER a public hearing. The intent of this law is to allow the towns and the residents thereof to preserve the natural beauty of a particular road.

The second article asks the town to appropriate a sum of money for the preparation of a large scale (1/1,000) map showing in detail the wetlands of the town both fresh water and salt. The tidal flats, salt marshes, river beds, estuaries, ponds and the like will all be clearly shown. The map will be of immense value to the Planning Board, the Conservation Commission, the Building Inspector and the Board of Health as well as the Zoning and other regulatory bodies in the town. The map has been prepared by a local engineer using the most modern and up to date methods. This map will also be the basis for a proposed Wetlands Zoning By-Law.

The third article to be presented is for the

Poverty Ball!

BAUBLES, BANGLES OR JEANS

Is inflation getting you down? Is the high cost of living raising your blood pressure? We have a solution. Help fight inflation and help a Mattapoisett girl continue her education by coming one, coming all, to the Poverty Ball.

On Saturday evening, March 9th, the Mattapoisett Woman's Club will sponsor a Scholarship Ball to be held in St. Anthony's Church Hall from 8 P.M. to 1 A.M. All benefits from this dance will go toward the Woman's Club Scholarship Fund to be awarded to a deserving Mattapoisett girl.

To give the evening an auspicious beginning, Richard Lima of Romeo's Package Store will host a wine-tasting session from 8 to 9 P.M. Come taste the delectable wines and cheeses and enjoy stimulating conversation about the high cost of living. As you converse, you can enjoy the fabulous and innovative decorations devised by Joanne Dunn and her "economy-minded" committee. The decorations are designed to please your eye, but not hurt your pocketbook!

Dancing begins at 9 P.M. to the unforgettable music of Henry Fisher and his swinging group, "That's-a-my-Band", which was so popular at last year's Italian Supper. Henry promises a good time will be had by all, so after dancing a few hours to great music, everyone should have a hearty appetite for the Midnight Buffet planned by Mary Horrocks and her hard-working committee.

Last, but not least in the effort to provide an enjoyable evening, Kathy Riley and her committee have planned interesting items as prizes to be awarded.

In these days of spiraling costs, this eve-

8:30 P.M. Long time community theatre member Ron Bumpus has directed cast members Rita Souza, Roy Masse, Marjorie Singleton, Michael Souza, and Skip Niles in the lively and witty story of three mischievous sorcerers in contemporary New York.

Tickets are available at the door or call 996-4580 for complete information.

Rochester Seniors

The Senior Citizens' Club of Rochester held their monthly meeting Tuesday, February 12th, at the Rochester Woman's Club.

President Mr. Samuel Spindler presided over a large attendance. New members have joined the club.

Members enjoyed the trip to Ireland with movies by Mr. George Sousa which started with pictures taken from the plane. The shades of green rolling meadowlands were beautiful to see, as were the tours of the historical, rural and commercial areas.

Several members won large bags of canned goods.

Members also played table games. The social hour with refreshments served by Mrs. Evelyn Benner, chairman, concluded the activities of a busy and pleasant afternoon.

The March meeting will be held on the first Tuesday, March 5th, at 1:30 P.M. Members please make a note of the change of date. The change to the first Tuesday is for the March meeting only.

Junior Grange

The master elect Christine Hubbard and lecturer elect Tracy Bigham of the Mattapoisett Junior Grange met with the Junior matron Tuesday night and made up a lecturer's program for the following months: February 24, there will be a baby picture contest and each member is to bring in their baby pictures, March 24, a talent show, April 28, town government program with Selectman William Hubbard as speaker, May 12, an invitation to Sippican Pomona, May 26, Mothers' Night; June 9, field trip to the Town Hall, June 23, inspections by Junior Deputy Priscilla Veilleux of Rehoboth, July 28, picnic, August 11, ghost night, Sep-

ATTENTION VOTERS OF MATTAPOISETT

MRS. GLORIA ROUNDS' SUGGESTION IS THINK

The strange force of politics makes equal of Rich and Poor, Young and Old. You're First Class Citizens.

The post of Selectman requires a special, dedicated man with common sense to be one of the THREE WISE MEN who'll govern. Lists of degrees, certificates, education and achievements are very impressive. But the main ingredient is FEELING.

... A man who feels the throb, pulse, the growing pains of our town, and has the ability to handle federal, state and local problems.

... Understands the young, sympathizes with all, and is compassionate with the aged. The older citizens are the grass roots. They had a dream, and still have a dream, that in our wonderful town the young and old can live in pride, respect and dignity.

Don't vote in haste and repent and regret leisurely. The post of Selectman is for three years - 1, 2, 3. I can sincerely say that when you cast your vote for

JOHN FIGUEIRIDO

FOR SELECTMAN

you are electing THE RIGHT MAN, not because he is my brother, but because he is needed and is concerned about Good Government in Mattapoisett.

Gloria Rounds, 77 Marion Rd., Mattapoisett

tember 8, program in charge of Tracy Horne and Lillian Poitras, September 22, bake off and auction.

Chairmen appointed were: Lillian Poitras, home and community service; David Hubbard, agriculture; Karen Barrows, sunshine; and Dana Barrows, ways and means.

Mattapoisett Seniors

SENIORS CITIZENS BUFFET LUNCHEON

The Senior Citizens' Buffet Luncheon meeting held February 11th at the Legion Hall was very well attended. It was a "full house". The food and refreshment committee did a real special job. It was tempting, delicious and plentiful.

DEAR CITIZENS OF MATTAPOISETT,

As concerned taxpayers and parents, the education of our children is one of the most serious tasks which faces us today. Unfortunately, it is one of the most costly. In view of the ever-increasing tax rate, we must remember that approximately 65% of our tax dollar is spent on education.

I believe that there is a definite need to revert to a stronger educational program in the basics and not be swayed by every new concept that is called to our attention. If our children do not have a strong foundation in the basic subjects, they will flounder through the remainder of their educational training and will have a difficult time obtaining the goals they strive for in life.

I strongly feel that our elementary educational program can achieve this objective through more careful planning. Let's not find ways to spend more money; let's find ways to improve on the money we are now spending. A blend of progress with good judgment is my goal.

I consider it a challenge to accept the responsibility of planning and supporting our educational process, and request your support at the polls on March 5th.

Sincerely,
Sandra W. Perkins

TREE WARDEN

15 YEARS TREE WARDEN EXPERIENCE

John F. Denham, Jr., 9 Hawthorne St., Mattapoisett

Both productions, "The Private Ear", and "Black Comedy", are plays by the distinguished contemporary British playwright, Peter Shaffer, noted for his "Five Finger Exercise".

"The Private Ear" is a rueful romance in which a boy makes a date with a girl he met at a concert and has his worldly friend coach him for the occasion. The girl turns out to be a rude disappointment.

In "Black Comedy" a struggling artist has a chance to make it big when a millionaire plans to visit his apartment to view his sculpture. A temperamental fuse leaves the stage in darkness, and has the young artist juggling his fiancee, his future father-in-law, his ex-mistress and priceless furniture he "borrowed" from a visiting neighbor. When the lights finally come back on, the whole shambles is resolved in a jarring conclusion.

"Black" in the title does not refer to the style of comedy but to the fact that much of the play supposedly takes place in the dark.

Cast in "Private Ear" are Mark Griffin, Sally Jones and Frank Kiman. Direction is by Thomas McCabe.

Players in "Black Comedy" are Michael Mahoney, Kim Murdock, Susan Powers, Tony Ferreira, Ira Korck, Paul Graham, Cathy Cabral, and Bob Foster. Michael Mahoney, recently entered in the National Theater Competition, was selected to compete for the Irene Ryan Scholarship for New England and received an honorable mention. SMU drama coach Angus Bailey directs.

Set design for both plays is by Frank Kiman, lighting by Richard Laronde, and props by Joanne Azevedo.

Tickets are free for SMU students and for a small fee for the public.

STUDDS URGES RENEWED INVESTIGATION OF STORM KING PROJECT TO SAVE STRIPED BASS

WASHINGTON, D.C., FEBRUARY 14 -- Rep. Gerry E. Studds, D-Mass., today urged the Federal Power Commission to reconsider its approval of the Storm King Mountain pumped storage project -- "a facility that could mean the destruction of up to 75 percent of New England's striped bass."

Studds, who co-hosted a briefing session

on the still-to-be built project in January, said he was also concerned about reports the facility would use more energy than it will ever produce. This major effort to save the striped bass from virtual extinction is being led by Rep. Hamilton Fish, Jr., of New York, who represents the district in which the project is to be built.

"I am writing to express my deep concern over the continued efforts of Consolidated Edison Company to build a pumped storage project at Storm King Mountain on the Hudson River, and to formally request that the Federal Power Commission reopen the proceeding and promptly hold further hearings," Studds said

in a letter to Commission Chairman John Nassikas.

"The initial source of my concern is the threatened damage to the fisheries of the Hudson River, including the striped bass in particular," the letter continued.

The 12th District Massachusetts Congressman said that, since 1970 when the Commission granted a license to build the project, a review of the proposal by the Atomic Energy Commission shows that "2.9 percent of all striped bass larvae in the Hudson would be removed each day by the project.

"When these daily withdrawal figures are cumulated over the 49 days when larvae remain vulnerable, Oak Ridge projects that up to 75 percent of the total annual striped bass hatch may be destroyed by the project.

"Clearly, this is a matter of major concern, particularly in view of the fact that the Hudson River striped bass appears to provide the princi-

pal brood stock for the entire striped bass fishery from New Jersey north to Maine," the Studds letter continued.

Studds, who represented the Island of Martha's Vineyard where the annual Striped Bass Fishing Derby is held, said his Committee on Merchant Marine and Fisheries would hold oversight hearings February 19th into the Storm King project to hear expert witnesses on what effect the facility would have on the striped bass population.

"The best estimates I have indicate that nearly 800,000 sports fishermen catch 15 million striped bass per year -- a $100 to $200 million industry.

"Equally as important," Studds said in a statement released by his Washington office, "is hard evidence that after Storm King is completed it will take approximately three kilowatts of pumping power to generate two kilowatts of effective electricity -- a wastage of fuel oil that we can not afford during the present energy crisis."

The letter to the Federal Power Commission, which was sent by Fish, Studds and other Congressmen, closed with:

"We formally request, and respectfully urge, that your Commission reopen the Storm King proceeding to reassess the fisheries prob-

LEGAL NOTICE

SHERIFF'S SALE

Plymouth SS. Mattapoisett, Massachusetts

To Alex and Suzanne Byron:

Notice is hereby given that I have seized on execution and will sell at Public Auction on Saturday, the 2nd day of March, 1974, at 10:00 A.M. at my office, 25 Pearl Street, Mattapoisett, Massachusetts, all the right title and interest not exempt by law from attachment or seizure on execution that Alex Byron and Suzanne Byron, both of 3 Rose Cottage Lane, Marion, County of Plymouth, Massachusetts had on June 7, 1973, at nine o'clock in the forenoon being the same time was attached on mesne process by William L. Sylvia, Deputy Sheriff in and to the following described real estate to wit:

Land in MARION, Plymouth County, Massachusetts, bounded and described as follows:

Beginning at a point in the westerly line of Pleasant Street said point being the northeasterly corner of the land to be conveyed and the southeasterly corner of land of the Town of Marion;
